

February 2021

Hello Harrison School Community!

Although we continue to work remotely, please rest assured that we are still working diligently through this pandemic and I am honored to continue my collaboration with an exceptional group of teachers, parents, and students. By working together, we can continue to create an environment that promotes achievement and a sense of community, even in our virtual space.

We hope to continue to host student and family events, even if they are socially distanced, throughout the remainder of this school year. One of our events, No One Eats Alone- "Chat & Chew," was held on Friday, Feb. 12th. Students and their teachers during their lunch time had an opportunity to discuss topics about social distancing, social isolation, and how we can work together to get through this. Students were excited to see their classmates and each lunch with them.

As always, please feel free to reach out with any questions or concerns. If we work together, we can achieve many wonderful things.
