# Benefits for students and parents

# Why Paper benefits students

**PAPER**

## Unlimited access

- Students can work at a pace that works best for them.

## Guided support through course content

- Tutors can work on helping students with a variety of skills in any content area.

## Teachers gain insight into students' understanding

- Teachers can see what questions students are asking so they can focus on these topics during class time.

# Parent support

## Working With Experts

- Students will work with trustworthy tutors through any challenging content.

## Language Preferences

- Tutors are available to speak in English, Spanish, French, and Mandarin!

---

# How parents can support students

## Log onto Paper with students!

- During first sessions, join students to lead conversations, help upload assignments
- Build trust with tutors and increase confidence asking questions
- Guide students to work with tutors any time they need help on assignments!
