- **Leonard V. Moore Middle School Students Start a School Supply Drive for Hurricane Victims**
- **Principal Mickens Establishes the 'Principal's Round Table' at Abraham Clark High School**

### **Grace Wilday Jr High School Hosted Successful Grandparents Day Celebration and Ice Cream Social**

The Grace Wilday Jr. HS Performing Arts Department presented a special performance in celebration of Grandparents Day on Friday, Sept. 13, where more than 50 grandparents joined their loved ones to see performances from each of the school's visual and performing arts disciplines and to attend the Grandparents Day Ice Cream Social.

As the Grandparents entered the building, the 8th grade National Junior Honor Society lead by Mrs. C. Gedell greeted each grandparent and escorted them to the "Grandparents are life savers" photo booth.

At the conclusion of the program, GWJHS teachers and NJHS students served the grandparents ice cream and cake. Each grandparent also received a goodie bag.

*Students and their grandparents enjoyed the photo booth that was set up for the first ever Grandparent's Day celebration.*

### **Roselle Preschool is Focusing on Social and Emotional Learning**

Students at the preschool are focusing on Social Emotional Learning by learning how to take turns, how to share with their classmates and how to properly express their feelings.

### **Kindergarten Success Academy Receives Bronze Award in the 2019 List of America's Healthiest Schools**

KSA recently received the bronze award in Alliance for a Healthier Generation's list of America's Healthiest Schools and was the only school in New Jersey to make the list for 2019.

All of America's Healthiest Schools participate in Healthier Generation's Healthy Schools Program, one of the nation's largest school-based childhood obesity prevention initiatives that foster a comprehensive approach to health promotion driven by administrators, teachers, counselors, parents and the surrounding community.

Dr. Fisher and the staff at KSA are truly committed to the health and academic success of their students.

### **Harrison Elementary School Hosts Pinwheels for Peace Celebration**

The students and teachers at Harrison Elementary School all gathered on the front lawn of the elementary school for their annual Pinwheels for Peace celebration on Thursday, Sept. 19 in honor of International Peace Day on Sept. 21.

Students made their own pinwheels out of pencils and paper to stick on the lawn in various shapes such as hearts and, of course, peace signs. Some pinwheels even had messages on them regarding what peace means to our Harrison students.

*Harrison students, teachers and staff had a blast at their annual Pinwheels for Peace celebration.*

### **Washington Elementary School Kicked-Off Hispanic Heritage Month with Celebrations**

National Hispanic Heritage month began on Sept. 15 and students at Washington Elementary have been celebrating in more ways than one with various cultural activities.

National Hispanic Heritage month runs until Oct. 15 and WES students will be celebrating all month long.

### **Leonard V. Moore Middle School Students Start a School Supply Drive for Hurricane Victims**

The L.V. Moore Middle School 'Generation on Kids Care Club' is running a School Supply Drive to donate to victims of Hurricane Dorian.

Students will be running the drive through the end of September.

### **Principal Mickens Establishes the ‘Principal’s Round Table’ at Abraham Clark High School**

Students can meet with Principal Mickens by scheduled appointment to discuss school-related matters and other important topics.

Meetings are held in the principal’s office every Wednesday from 3 - 4p.m. Principal Mickens said that he looks forward to continuing the building of positive relationships with all scholars at Abraham Clark High School.
